Volunteering

Volunteering is critical in the operation and sustainability of the Cosmo Centre. Members make up the Board of Directors, assist in the kitchen, help at the front desk, arrange and assist at events, do maintenance work and yard care to name a few areas where volunteers give of their time.

Volunteering allows members to meet new people and have fun while contributing to the ongoing success of the Cosmo Centre. Volunteering also increases a person's quality of life and provides a sense of belonging and well being.

Becoming a Cosmo Centre volunteer has two-fold benefits, it helps the facility to continue operating and it also helps the member with an added sense of community and fulfillment.

In order to maintain and operate the facility, volunteers are essential. There would be no Cosmo Senior Citizens Centre without volunteers. If you are interested in volunteering, please stop in at the office for more information.

March volunteering opportunities (contact the office for more information):

Front Desk—Tuesday, Wednesday, Thursday mornings (you can pick whatever days that work for you)

Cornhole Tournament – March 20: Score keeper, Time keeper

Detour Cabaret—March 21: Admission table, Canteen table, Bar, Bar sales, Opening/letting in the band, Closing

Schedule additions/changes

- Crib Tournament—The change to Fridays at 1:00pm was an awesome move. The tournament was a huge success. It will continue to be every 2nd Friday monthly. The next Crib Tournament is on Friday, March 13 at 1:00pm. \$5.00/person

Pricing changes

- Effective immediately, **ALL (including the jammers and dancers)** activities are \$2 for members and \$3 for non-members including indoor walking and fitness room. There are no longer monthly rates for any activity.

NEW

- The kitchen will continue to have pie available on Thursdays from 10:00–3:00 for \$4.50 per slice.
- **Volunteer Administrative desk**—If you are interested in getting out, doing something different, and chilling with lots of great people, give me a call or stop into the office and I can give you more details ☺

Last month, I'd asked for suggestions to name the large hall. It has been decided by the Board of Directors to leave the hall names as is: large hall, small hall, meeting room (lower level), studio (upper level)

Have you seen the new design in the **Coffee Shoppe**? I've added a couple table toppers to give you something to do while sitting for coffee. Please feel welcome to add a comment or write something in the story book (anonymously). It's a work in progress with hopes soon of fixing a heaved floor/replacing the flooring and refreshing the walls with a new color ☺. Stop in for coffee and pie on Thursday or order lunch for Tuesday, or just stop in and visit. The coffee is always on.

My head is stuffed up right now so this month I really do have an excuse for forgetting something. I'm sure ☺
