Volunteers – Thank you for all that you do!!!

Volunteering is critical in the operation and sustainability of the Cosmo Centre. Members/volunteers give up their time as Board of Directors, assist in the kitchen, help at the front desk, arrange and assist at events, do maintenance work and yard care to name a few areas.

Volunteering allows members to meet new people and have fun while contributing to the ongoing success of the Cosmo Centre. Volunteering also increases a person's quality of life and provides a sense of belonging and well being. Becoming a Cosmo Centre

volunteer has two-fold benefits; it helps the facility to continue operating and it also helps the member with an added sense of community and fulfillment.

In order to maintain and operate the facility, volunteers are essential. There would be no Cosmo Senior Citizens Centre without volunteers. If you are interested in volunteering in April, please stop in at the office for more information.

Front Desk – Tuesday, Wednesday, Thursday mornings (you can pick whatever days that work for you)

Schedule additions/changes

Changes

- The weekly jam session is now called the Cosmo Centre Old Time Dance. The dance is open to everyone \$2/member, \$3/non-member.

NEW

- The Cosmo Centre is getting a new roof over the original small hall (where the Coffee Shoppe, offices, coat room, bathrooms and front entrance is) as soon as it warms up enough for the contractor to get it done.

- There is going to be a change to the Coffee Shoppe and small hall over the next bit – new paint, door opening on the south wall between the two halls, pony wall being constructed between small hall and coffee shoppe. Stay tuned for all the exciting upgrades in the next few months 😊 😊 😊
