The DISCOVER MOOSE JAW site may not always be up to date.

As always, I'm in a rush so let's hope I have it all. Short and sweet this month yet at the same time, very important information. Oh...I should tell you that Las Mambas (Mexican girl band) lead singer is the previous lead singer from The Lovers, a band that the Cosmo Centre booked a few years ago. I understand she is quite amazing...well, she's back. Advanced tickets are on sale now.

Have a fabulous day !!
